Three days training programme for competent persons recognized for the purposes of carrying out tests, examinations and inspections of lifting machines, chain, ropes and lifting tackles under the provisions of the Factories Act, 1948 (28th-30th August, 2024)

DGFASLI is an attached Office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating National policies on occupational safety and health in factories and docks.

The Factory Advice Service Division under DGFASLI coordinates the administration of the Factories Act in the States and advises the Central and State Governments on related matters including interpretation, formulating and recommending amendments of the provisions of the Factories Act and framing of Model Rules. The Division also advises on documents on safety and health from the International Labour Organisation and other international agencies.

ABOUT THE COURSE

Competent persons are recognised by respective CIFs/DISH of States/UTs for the purpose of carrying out tests, examinations and inspections of lifting machines, chain, ropes and lifting tackles under the provisions of the Factories Act, 1948 and the Rules framed thereunder. The quality of outcome and results after testing, examinations and inspection is based on the knowledge, experience and understanding of

procedures. Hence, DGFASLI, Mumbai has designed training programme specially for Competent Persons recognised under section 29 of the Factories Act, 1948 to facilitate knowledge enhancement and upward development and equipping them with right skill sets in testing, examination and inspection.

OBJECTIVE

The programme is designed to achieve the following objective:

To develop understanding and technical know-how in competent persons The training will equip competent persons with right skills, techniques to carry-out their task effectively.
