PREFACE

DGFASLI is the technical arm of the Ministry of Labour and Employment in matters related to Occupational Safety and Health in Factories, Ports and Docks. The organisation assists the Central Government in formulating policies in the administration of the Factories Act, 1948, enforcing the Dock Workers (Safety, Health and Welfare) Act, 1986 and liaising with State Governments, Union Territories, Port authorities and Industries for effective implementation of these statutes.

The Standard Reference Note 2013 provides comprehensive information on the objectives, functions, important activities and budget of the organisation. It contains details of studies/surveys, audits, support services, training programmes, promotional and other activities carried out by DGFASLI in its effort to prevent accidents and occupational diseases in Factories, Ports and Docks. This Standard Reference Note also contains information on targets and achievement of the Plan schemes.

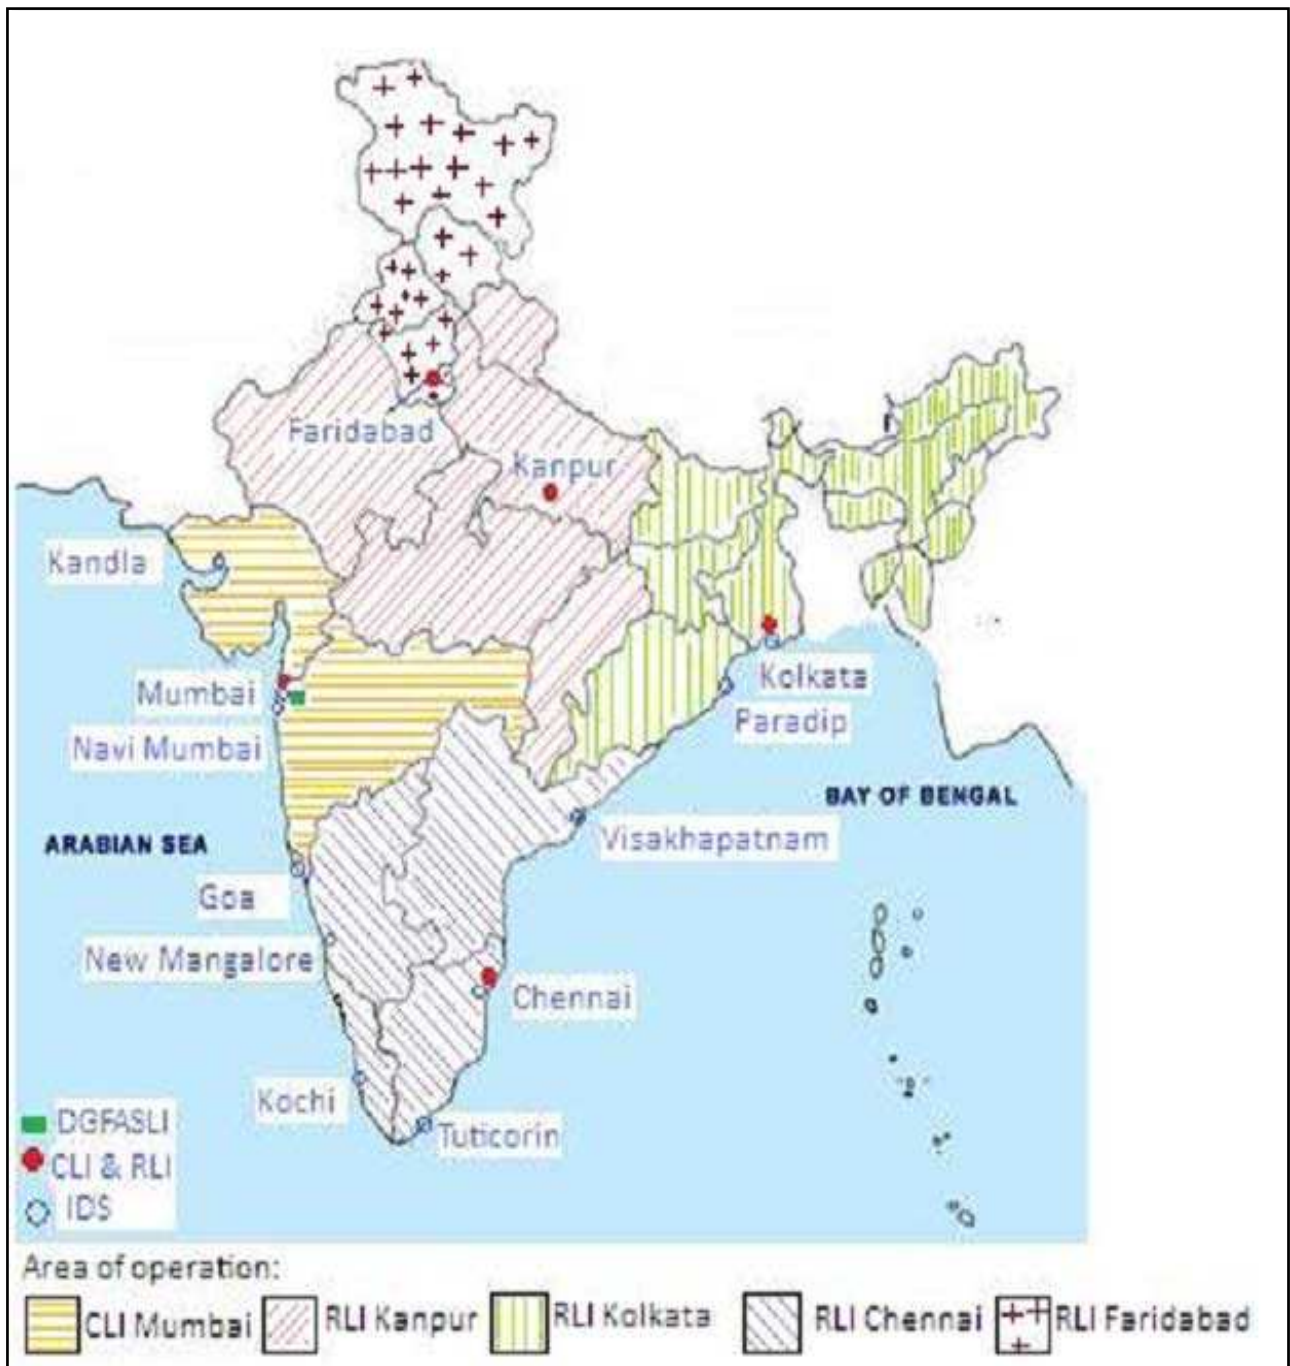

In addition to presenting the information on industrial injuries collected and analysed by Labour Bureau, this Standard Reference Note further contains the state-wise information relating to occupational safety and health in factories based on the information collected by DGFASLI from the Chief Inspectors of Factories. It also contains information on Safety and Health matters such as industrial injuries, safety inspection, investigation etc. in respect of 11 major ports. This compilation of data and its analysis reflects the trends, causes and areas of concern for preventing accidents and improving working environment in factories and ports.

General Information

1.1 DGFASLI- A Brief Introduction

The Directorate General of Factory Advice Service & Labour Institutes (DGFASLI), formerly known as Chief Adviser of Factories, was set up in 1945 in Delhi, with the objective of advising the Central and State Governments on administration of the Factories Act, and liaising with factories inspection services in the States. The office was subsequently shifted to Mumbai in 1966.

DGFASLI achieved significant importance as an attached office of the Ministry of Labour and Employment, Government of India serving as a technical arm to assist the Ministry in formulation of National policies on Occupational Safety and Health in Factories and Docks.

The Dock Workers (Safety, Health and Welfare) Act 1986 and the Regulations 1990 provide Safety, Health and Welfare of dock workers. These are enforced by DGFASLI through the Inspectorates of Dock Safety set up in all the major ports in India.

1.2 Functions of DGFASLI

- Rendering advice and carrying out support activities for the administration of the Factories Act, 1948 and the Dock Workers (Safety, Health and Welfare) Act, 1986.
- Co-ordinating technical and legal activities to facilitate uniform standards of enforcement of safety and health in manufacturing and port sectors.
- Administration of the Dock Workers (Safety, Health & Welfare) Act, 1986 and Regulations framed there under and enforcing these in the major ports of the country.
- Educating and training employers and employees on matters relating to safety and health.
- Conducting promotional activities by operating schemes for (i) recognition of good suggestions under Vishwakarma Rashtriya Puraskar (ii) worker's outstanding contribution in organizations, under Prime Minister's Shram Awards; and (iii) safety performance under National Safety Awards (on behalf of the Ministry).
- Co-operating with International agencies like ILO, WHO, UNDP and advising Central Government in the adoption of international standards concerning safety and health.
- Training of foreign nationals and rendering expert advice to the developing countries.
- Building Competence of enforcement agencies.
- Issuing approval to flameproof electrical enclosures.
- Collecting and disseminating information and material relating to safety and health.

1.3 Organization Structure of DGFASLI

DGFASLI organization comprises of the Headquarters, Central Labour Institute, 4 Regional Labour Institutes and 11 Inspectorates of Dock Safety.

- Headquarters situated in Mumbai
- Central Labour Institute situated in Mumbai
- Regional Labour Institutes at Kolkata, Chennai, Kanpur and Faridabad
- Inspectorates of Dock Safety at Mumbai, Kolkata, Chennai, Kandla, Mormugao, Tuticorin, New Mangalore, Cochin, Visakhapatnam, Paradip and Jawaharlal Nehru Port. The Inspectorate of Dock Safety at Ennore is being setup.

In 1959, the Central Labour Institute, Mumbai was established under UNDP Project as a socio-economic laboratory and as a national institute dealing with scientific study of human aspects of industrial development. Subsequently, Regional Labour Institutes (RLIs) were established at Kolkata, Kanpur, Chennai and Faridabad to serve as Regional Centres. The detailed organisation structure is given in **Appendix I** and the contact addresses of Regional Labour Institutes (RLIs) and Inspectorate Dock Safety (IDSs) are shown in **Appendix II**.

The Central Labour Institute and Regional Labour Institutes are fully equipped with necessary laboratory facilities for conducting studies and surveys in the field of safety and health. The Institutes are also having conference facilities fully supported with modern audio-visual equipment. Industrial Safety, Health and Welfare Centres are also established at these Labour Institutes. Training Centres and Safety Exhibition Centres are also established in some of the inspectorates of dock safety.

1.4 Human Resource

The human-resource in the organisation comprises of Engineers, Medical Doctors, Industrial Hygienists, Industrial Physiologists, Industrial Psychologists, Statisticians, Audio-Visual Experts, and Artists etc. The manpower strength of the organisation is given in Table 1.1 & 1.2.

2 Budget

The allocation of funds for the various constituents and plan schemes of the organisation for 2013-2014 and 2014-2015 of the XIIth Five year plan is given below:

(Rs. in Lakhs)

Sl. No.	SCHEMES	Revised Estimates 2013-2014	Budget Estimates 2014-2015
A. NON-PLAN			
1.	DGFASLI & IDS	661.50	708.00
2.	Research & Training (CLI & RLIs)	1065.50	1183.00
Total (NON-PLAN)		1727.00	1891.00
B. PLAN			
1.	Development of Regional Labour Institute, Faridabad as National Centre of Excellence	244.70	300.00
2.	Strengthening of DGFASLI Organisation and OSH in Factories, Ports and Docks	342.30	400.00
3.	Development of RLI, Shillong	-	10.00
Total (PLAN)		587.00	710.00
GRAND TOTAL (NON-PLAN)+ (PLAN)		2314.00	2601.00

3

Plan Schemes

During the year 2012-2013, two Plan Schemes under the XIIth Five Year Plan are taken up by DGFASLI for implementation, namely:

- (1) Development of Regional Labour Institute, Faridabad as National Centre of Excellence.
- (2) Strengthening of DGFASLI organization and OSH in Factories & Ports.

3.1 Plan Scheme I:

Development of Regional Labour Institute, Faridabad as National Centre of Excellence.

Objectives:

1. The objective of the Scheme is to develop Regional Labour Institute, Faridabad as an advanced center of Safety Systems to meet the specialized needs of MSMEs and Chemical Process Industry.
2. Development of Advance Training Center, Advance Research Center and Awareness Center for carrying out the Technical activities of the Center of Excellence.
3. To develop wide spectrum Door-step Facility to impart knowledge, skills and develop awareness among the work-force and owner-managers of MSMEs.

Table 3.1 Targets & Achievements (January to December 2013)

Sl. No.	Activities	Targets	Achievements
1.	Creation of Posts	-	-
2.	Setting up of Centres / Laboratories	01	01 (in process)
3.	Short & Long duration training programmes / In plant training programmes	08	09
4.	One year post Diploma Course in Industrial Safety for Safety Officers	01	01 (Continuing)
5.	3 month course-Associate Fellow of Industrial Health (AFIH)	-	01 (Continuing)
6.	One month specialized Training course	-	-
7.	Developing State wise OSH monitoring	-	-
8.	Training programme for small and medium enterprises	02	01
9.	Research/Studies / Surveys / Safety Audits	08	06
10.	National Seminars/ Conferences/ Workshops	02	02
11.	Publications	01	-
12.	Production of Video films	01	-

3.2 Plan Scheme II:

Strengthening of DGFASLI Organization and OSH in Factories, Ports & Docks

Objectives:

To strengthen the infrastructure facilities at DGFASLI organization including Central Labour Institute at Mumbai & Regional Labour Institutes located at Chennai, Kanpur & Kolkata, and Inspectorates Dock Safety at the eleven major ports for improving occupational safety and health status of workers in factories, ports and docks throughout the country thereby contributing to prevention of occupational injuries and diseases.

Table 3.2 Targets & Achievements (January to December 2013)

Sl. No.	Activities	Targets	Achievement
1.	a) Development of National Inventory on OSH information and follow up	*	*
	b) Up gradation and development of databases	*	02
	c) Development of Application Programmes	*	01
	d) Material Safety Data Sheet (MSDS) on request	*	101
	e) Industry-wise safety and health information	*	76
	f) INDOSHNEWS Publication	04	03
	g) Publication of Manuals, brochures, etc	*	119
2.	Conduction of specialized training programmes, seminars, workshops	60	70
3.	Conduction of studies/surveys/audits	48	58
4.	Enforcement activities in major ports (inspection of ships, container ship, loose gears, docks, container yards, hazardous installations, etc.)	1500	1656
5.	Testing of Respiratory & Non Respiratory PPE	750	760

4

Safety & Health Improvement in Factories, Docks and Construction

4.1 Co-ordination in the Administration of the Factories Act, 1948

The Factories Act, 1948 is the principal and comprehensive legislation of the Parliament, which provides for the requirements concerning safety, health and welfare amenities needed by workers employed in factories. The provisions of the Act are applicable to the factories as defined under Section 2m(i), 2m(ii) or notified under Section 85 of the Act by the State Governments.

The Ministry of Labour and Employment is accountable to the Parliament for proper enforcement of the Act. Uniformity in the application of the provisions of the Act in the State/Union Territories is achieved by circulating the Model Rules prepared by DGFASLI, which are incorporated by states in their State Factories Rules with necessary modifications to suit local needs. In the task of framing of the Model Rules, the DGFASLI, on behalf of the Ministry of Labour and Employment, enlists the cooperation and involvement of the State Governments by convening annually a Conference of Chief Inspectors of Factories. The Conference discusses all matters relating to the administration of the Act as well as proposed amendments. Besides, the Conference also serves as a forum for discussion on the progress made in the application of techniques and methods for prevention of accidents and ill-health in factories.

4.2 During the year 2013 comments/clarifications / replies/ materials were prepared on the following matters -

Table-4.1

Sl. No.	Comments/ Clarifications / Replies/ Materials	Nos.
1.	Matters regarding Factories Act,1948	16
2.	Matters regarding ILO Conventions/ILO meetings	9
3.	Matters relating to Parliament Questions and Parliamentary Standing Committee on Labour Meetings	49
4.	Matters regarding Court Cases	6
5.	Other Important Matters	47

4.3 Implementation of the Right to Information Act 2005

- The enactment of Right to Information Act, 2005, is a gateway for the citizens to seek information under the control of Public Authority and promote transparency and accountability.
- DGFASLI being one of the Public Authorities, the C.P.I.O. of the organisation received a total no. of 101 applications during the period January to December, 2013. Out of which 50 applications were received under section 6(3) of the RTI Act (i.e. transferred from other public authority) and 51 applications were received directly and 13 applications were brought forwarded from the 3rd quarter of 2012 (Oct. – Dec., 2012). Thus a total of 114 applications were considered during the year. Information was provided within the stipulated time frame to 99 applications and 01 application was transferred to other public authorities under Section 6(3) of the RTI Act. 09 applications were carried forward to next year. 05 applications were rejected. An amount of Rs. 2138/- was received during the period as application fees and cost of providing information in material form.
- The Appellate Authority of DGFASLI received a total number of 8 appeals during the period and all were replied within stipulated time frame.

4.4 Administration of the Dock Workers (Safety, Health and Welfare) Act, 1986 and Regulation framed there under and the Environment (Protection) Act, 1986 and Rules framed there under

The Dock Workers (Safety, Health and Welfare), Act, 1986 and the Regulations 1990 framed there under cover safety, health and welfare aspects of all the workers engaged in dock work, whether in loading or unloading of cargo on board the ship, alongside it or in transit sheds, warehouses or yard etc., within the port premises including those engaged in chipping and painting of ships. These statutes are in line with ILO Convention No. 152 on Occupational Safety and Health (Dock Work).

Administration of the Act and the Regulations in major ports is carried out by the Ministry of Labour and Employment, through DGFASLI, Mumbai. The Director General is the Chief Inspector of Dock Safety appointed under the Act. The Chief Inspector of Dock Safety is also an authority for enforcement of the Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989 framed under the Environment (Protection) Act, 1986, in the major ports.

The above statutes are enforced by the Inspectors posted at Inspectorate of Dock Safety at all the major ports viz. Mumbai, Kolkata, Chennai, Kandla, Mormugao, New Mangalore, Cochin, Tuticorin, Visakhapatnam, Paradip and Jawaharlal Nehru Port except Ennore where the Inspectorate is yet to be set up. Presently, the enforcement in this Port is carried out by the Inspectors posted in Inspectorate Dock Safety, Chennai. Inspectors also enforce the Marking of Heavy Packages Act, 1951 and Rules framed there under in the major ports.

The main function of the Inspectorates is to ensure the compliance with the provisions under the statutes. The statutory responsibilities of Inspector include inspection of ships, tankers, loose-gears, container-handling equipment, docks, container-yard and terminal, hazardous installations and isolated storages, tanks; carrying out the investigation of accidents (fatal and serious) and dangerous occurrences; prosecution of employers, attending to complaints, providing advisory services and conducting safety promotional activities like training programmes, workshops, celebration of safety week etc. The Inspectorate also prosecutes the agency responsible for serious violation of any provision of the Act and Regulations framed there under.

4.5 Safety Week Celebrations for Dock Safety

During the year 2013 Safety Week Celebrations were held at the Ports of Mumbai, Kolkata, Visakhapatnam, Kochi, New Mangalore, J. N. Port, and Tuticorin. Total 08 Week Celebrations were held during the year. During the celebrations, various safety promotional activities like safety poster competitions, safety quiz contest, first-aid and fire fighting demonstrations and appreciation programmes were organized for benefit of dock workers and their families.

4.6 Safety and Health in Construction Sector

The Building and Other Construction Workers Act (BOCW Act) (Regulation of Employment and Conditions of Service) was enacted in 1996. The Central Government is the appropriate government for notifying the rules and regulations under the Act as well as the enforcement of the provisions under the said Rules, in respect of establishments in relation to which Central Government is the appropriate government under the Industrial Disputes Act, 1947. In respect of other establishments, the State Government is the appropriate government for notifying the Rules and enforcing the provisions. DGFASLI at the behest of the Ministry of Labour and Employment had done the entire work of drafting the above said Act 1996 as well as framing of the Central Rules of 1998 made there under. The Director General, DGFASLI is a member on the Central Advisory Committee constituted under Rule 10 of the Central Rules of 1998. DGFASLI was entrusted with the task of processing applications in respect of approval of Competent Persons under Rule 2(j) of the Central Rules, 1998.

4.7 Studies and Surveys

- (a) **National Studies and Surveys** are undertaken by DGFASLI, in its efforts towards helping the Central Government to ascertain the status of working conditions, safety and health in factories and docks, and to formulate the appropriate standards for inclusion in statutes.
- (b) **State level Studies and Surveys** are undertaken in the State in certain priority areas to ascertain status of Safety Health and Environment at work place.

4.8 Education and Training

DGFASLI organized workshops, seminars, training programmes etc. for the benefit of industries, ports, enforcement officials etc.

4.8.1 Seminars are organized on the basis of findings and recommendations of various national studies; unit level studies and surveys; and issues and priorities of national concern. These seminars provide platform for discussing various issues related to safety and health; and recommend National level/ State level/ Unit level action plan in respective area of concern.

4.8.2 Workshops are organized to enhance the skills of the participants in dealing with matters connected to safety, health, productivity and environment etc.

4.8.3 Details of seminars and workshops conducted during the year 2013 are given below-

- 1) A one day seminar on "**Occupational Safety & Health Awareness for Construction Industry**" was organized by Regional Labour Institute, Kolkata in collaboration with Meghalaya Building and Other Construction Workers Welfare Board on 16th January, 2013 at Raitong Building, Shillong, Meghalaya. The objective of the seminar was to improve occupational safety and health awareness for betterment of OSH Management and improvement of productivity in Construction Industries. The seminar was inaugurated by Principal Secretary to the Govt. of Meghalaya, Labour Department & Chairman, MBOCWW Board. In his inaugural speech he emphasized on the long term relationship with DGFASLI for organizing more seminars in North Eastern region related to occupational safety & health issues in industries. He showed his concern on the condition of construction workers & impressed upon that there is a need to implement the top management commitment and objectives effectively in construction industry.
- 2) A one day seminar on "**Sustainable Industrial Growth through Prevention of OSH & Environmental Hazards**" for the Executives/Management of Industries, Inspector of Factories, Safety Officers, Safety Professionals was organized by Regional Labour Institute, Kolkata on behalf of DGFASLI, Mumbai in collaboration with Chief Inspector Factories, Assam at Hotel Agnideep Continental, Guwahati on 29th January, 2013. The objective of the seminar was to exchange experiences and ideas regarding new approaches & practices in humanization of the workplace so as to create a decent place of work. Further the seminar provided a platform for sharing of the experiences and practices in the industries towards creating a positive safety and health culture. 200 dignitaries & delegates from 115 organisations attended the seminar.
- 3) A one day seminar on "**Sustainable Industrial Growth through Prevention of OSH & Environmental Hazards**" in Tea & other Industries was organized by Regional Labour Institute, Kolkata on behalf of DGFASLI, Mumbai in collaboration with Chief Inspector Factories, Assam on 18th February, 2013 at Rajib Bhawan Conference Hall, Park Road, Silchar, Assam. The objective of the seminar was to exchange experiences and ideas regarding new approaches & practices in humanization of the workplace so as to create a decent place of work. Further the seminar provided a platform for sharing of the experiences and practices in the industries towards creating a positive safety and health culture. The programme was inaugurated by Prof. N. V. Deshpande, Director, NIT, Silchar by enlightening lamp followed by inaugural speech. 200 delegates including Inspector Factories, Safety officers, Safety professionals and others from 103 organisations attended the seminar.

- 4) A one day seminar on "**Sustainable Industrial Growth through Prevention of OSH & Environmental Hazards**" in **Petroleum Industries** for the Executives/Management of Industries, Inspector of Factories, Safety Officers, Safety Professionals was organized by Regional Labour Institute, Kolkata on behalf of DGFASLI, Mumbai in collaboration with Chief Inspector Factories, Assam on 27th February, 2013 at Rajib Bhawan, Conference Hall, Park Road, Silchar, Assam. The objective of the seminar was to exchange experiences and ideas regarding new approaches & practices in humanization of the workplace so as to create a decent place of work. Further the seminar provided a platform for sharing of the experiences and practices in the industries towards creating a positive safety and health culture. The programme was inaugurated by Hon'ble Parliamentary Secretary Shri Raju Sahu, Labour & Employment Department, Government of Assam by enlightening lamp followed by inaugural speech. 200 dignitaries & delegates from 115 organisations attended the seminar.
- 5) Regional Labour Institute, Kanpur organized a Seminar on "**Capacity Building on Occupational Safety & Health**" on 7th March, 2013. The seminar was inaugurated by Prof. Ashok Kumar, Hon'ble Vice Chancellor CSJM University, Kanpur. 9 papers on the theme of the seminar were presented by the experts who attended the seminar. The seminar was attended by 180 delegates from 134 different organizations and it got wide media attention.
- 6) Regional Labour Institute, Kanpur organized a Specialized Training Workshop on "**Pneumoconiosis & Its Control**" for the Medical Inspector of Factories/Certifying Surgeons, directly involved in the process of identification and diagnosis of the pneumoconiosis in different States from 14th to 15th May, 2013. It was an initiative of the institute as desired by the Chairman of Advisory Committee(Third Meeting) regarding Developing of Control Strategies and to Review the Safeguards in relation to Primary Exposure to Asbestos by the workers and as insisted upon by NHRC The medical inspectors from four different states e.g. Karnataka, Chhattisgarh, Rajasthan & Delhi actively participated.
- 7) Regional Labour Institute, Kanpur in association with Department of Industrial Health & Safety, Chhattisgarh organised a "**State Level Workshop on Silicosis**" on 22nd May, 2013 at Auditorium, State Circuit House, Raipur for the silica based industries of the State of Chhattisgarh. The workshop was inaugurated by Hon'ble State Labour Minister of the Government of Chhattisgarh Shri Chandra Sekhar Sahu and presided over by Additional Chief Secretary of the State of Chhattisgarh Shri Vevek Dhand. DGFASLI rendered total technical support in running technical sessions. The workshop was attended by large number of delegates throughout the State of Chhattisgarh and got wide media attention.
- 8) A Seminar on "**An Interactive session on Occupational Safety & Health Standards in Industries**" was organized at RLI, Faridabad on 20th September, 2013. The Seminar was inaugurated and chaired by Shri A. C. Pandey, Joint Secretary, Ministry of Labour & Employment, Govt. of India, New Delhi. The seminar was attended 100 by delegates from 5 organisations.
- 9) A One day seminar on "**OSH Awareness in Manufacturing Industries**" was organized by RLI, Kolkata on behalf of DGFASLI, Mumbai in collaboration with Inspectorate of Factories, Govt. of Assam on 27th November, 2013 for the Managerial staff, Supervisors, Workers and Trade Union Representatives of Manufacturing Industries at Hotel Royal Highness, G. N. B. Road, Tinsukia, Assam. The objective of the seminar was to build up awareness competence of government officials, managers of industries, representatives of the associations of employers and

employees, trade unions representatives, safety professionals and other OSH stakeholders on implementation of the National Policy on Safety, Health & Environment at Workplace, OSH statutes, SHE management system, accident prevention programmes, occupational health services etc. The programme was inaugurated by Shri Puru Gupta, IAS, Commissioner, Tinsukia District, Assam by enlightening lamp. Shri U. K. Das, Director (safety), RLI, Kolkata, Shri C. Purkayastha, Chief Inspector of Factories, Govt. of Assam both delivered the key note address in the inaugural function. 151 dignitaries & delegates from 67 organisations attended the Seminar.

- 10) A one day Seminar on "**Effective OSH Awareness in Petroleum Industries**" was organized by Regional Labour Institute, Kolkata on behalf of DGFASLI, Mumbai in collaboration with Inspectorate of Factories, Govt. of Assam on 4th December, 2013 at Refinery Club cum Community Centre, IOCL, Bongaigaon Refinery Township, Dhaligaon District, Assam. The objective of the seminar was to build up awareness & competence of the OSH stakeholders on implementation of the National Policy on Safety, Health and Environment at Workplace, OSH statutes, SHE management system, accident prevention programmes, occupational health services etc. Shri A. Saran, Executive Director, IOCL, Bongaigaon Refinery inaugurated the seminar. Shri R. A. Jha, General Manager and In-Charge, IOCL, Bongaigaon Refinery, Director (Safety), Regional Labour Institute, Kolkata and Addl. Chief Inspector of Factories, Govt. of Assam, graced the occasion. 152 dignitaries and delegates from 7 organisations attended the Seminar. Director (Safety), Regional Labour Institute, Kolkata & Addl. Chief Inspector of Factories, Govt. of Assam delivered the key note address in the inaugural function.

4.8.4 Longer Duration Training Programmes

- a) **Professional Programmes:** To fulfill the need of qualified Safety officers, and Factory Medical Officers in the industry, DGFASLI organisation conducts one year "**Advance Diploma Course in Industrial Safety**" (ADIS) and three months "**Associate Fellow of Industrial Health**" (AFIH) Certificate Course respectively. In order to meet the demands of supervisors competent to handle and supervise hazardous processes in industries, a "**One Month Certificate Course in Industrial Safety & Health**" was started at CLI Mumbai as well as RLI Kolkata, Kanpur and Chennai.
- b) **Specialised Training Programmes** are conducted for identified target groups such as Inspectors of Factories Senior Managers, Safety Officers, Factory Medical Officers, Supervisors, Trade Union Officials and Safety Committee members from Industry. Basic course for inspectors of factories who are freshly recruited is conducted to impart technical knowledge and skills in the field of safety and health. In view of the need for inspection of specific industries and Major Accident Hazards units, specialised courses are also conducted for senior inspectors. Some of the programmes are exclusively conducted for the union-leaders where joint participation of management personnel and union representatives from industries are the special features of some programmes.

The institute-wise details of 3 or More Days Training Programmes and Professional Programmes are given in **Annexure-II**.

4.8.5 Need Based In-Company Training Programmes

On the request of managements, various disciplines of DGFASLI conduct in-company need based training programmes for the benefit of cross-section of personnel from respective units. Such programmes are designed after proper identification of needs of the defined target through preliminary discussions with the managements. The institute-wise details of the need-based in – company Training Programmes are given in **Annexure – III**.

4.8.6 1-2 Days Training Programmes

DGFASLI also organized short duration (1 – 2 days) training programmes for the benefit of supervisors, workers, and workers representatives from factories. Such programmes are organized in the field of Safety, Health, Hygiene, Psychology, etc. The institute-wise details of Short Duration Training Programmes are given in **Annexure IV**.

4.8.7 Appreciation and Promotional Programmes

Each of the Labour Institutes at Mumbai, Kolkata, Kanpur, Chennai and Faridabad has an Industrial Safety Health and Welfare Centre, and conducting half day appreciations programmes. Appreciation Programmes at various laboratories and divisions of the organization is also conducted.

4.9 Technical Advice

Technical advice and guidance are provided to industries and port users on various aspects relating to control of hazards, prevention of accidents and occupational diseases, work environment, productivity etc.

4.10 Testing of Personal Protective Equipment

The respiratory and non-respiratory Personal protective equipment testing laboratories at the Central Labour Institute, Mumbai undertake performance tests of canisters, masks, helmets, safety shoes, safety goggles, safety belts, welding glasses etc.

Table 4.12 Personnel Protective Equipment tested in 2013

Sl. No.	Type of Equipment	No. of Equipments tested
1.	Non-Respiratory Equipment	288
2.	Respiratory Equipment	475
Total		763

4.11 Approval of Flameproof Electrical Enclosures

Use of flame/explosion – proof electrical enclosures is mandatory in hazardous units where flammable environment exists. The control on quality of such flame proof electrical enclosures are assured through test methods as stipulated in IS: 60079-1:2009. DGFASLI is the approving agency for these enclosures for the purposes of the Factories Act, 1948. The approvals are issued on the basis of inspection of units manufacturing these equipments and the test reports obtained by them from of recognized testing laboratories such as Central Power Research Institute and Central Institute of Mining and Fuel Research.

Table 4.13-Approval of Flameproof Electrical Enclosures during the year 2013

Approvals issued	4 manufacturers for 28 flame-proof electrical enclosures
Inspection visits	3 Manufacturing units.

4.12 Talks

The officers of the organization deliver talks on special topics in programmes organized by outside agencies to disseminate latest technical information with specific reference to national studies, unit level studies, surveys conducted. They are also publishing papers and articles and presenting them in important symposia, workshops and seminars.

Table 4.14-Institute -wise Talks delivered during 2013

9.	Implementation of National Policy & Industrial Policy for effective SHE Management	One day seminar on "OSH Awareness in Manufacturing Industries" for the Managerial staff, Supervisors, Workers and Trade Union Representatives of Manufacturing Industries was organized by RLI, Kolkata on behalf of DGFASLI, Mumbai in collaboration with Inspectorate of Factories, Govt. of Assam at Hotel Royal Highness, G. N. B. Road, Tinsukia, Assam	27/11/2013
10.	Accident Prevention & SHE Promotional Programme for sustainable growth	One day seminar on "OSH Awareness in Manufacturing Industries" for the Managerial staff, Supervisors, Workers and Trade Union Representatives of Manufacturing Industries was organized by RLI, Kolkata on behalf of DGFASLI, Mumbai in collaboration with Inspectorate of Factories, Govt. of Assam at Hotel Royal Highness, G .N. B. Road, Tinsukia, Assam	27/11/2013
11.	National Policy & Industrial Policy for SHE Management & Accident Prevention	One day Seminar on :Effective OSH Awareness in Petroleum Industries in collaboration with the Inspectorate of Factories, Assam	04/12/2013
12.	Emergency Planning and Preparedness	One day Seminar on :Effective OSH Awareness in Petroleum Industries in collaboration with the Inspectorate of Factories, Assam	04/12/2013

4.14 CIS National Centre for India

As a CIS National Centre for India CLI provides information and services on:

- Microfiche reference
- Awareness on current events
- Information access through CD-ROMs of ILO, WHO, etc.
- MSDS
- Dispersion Models

4.15 “INDOSHNEWS” Newsletter

In order to create Safety and Health awareness and to project the services offered by the organisation and its achievements DGFASLI brings out a Quarterly newsletter “INDOSHNEWS”. This quarterly newsletter is intended to reach to the people round the globe and bring about awareness in matters related to safety and health, highlight important issues, latest developments, current events in the area of safety and health.

Table 4.16 Papers/Articles Published in 2013

Sl. No.	Papers/Articles Published	Periodical
1.	Emerging Trends in Safety – Issues and Concerns, Asbestos, Asbestosis and Cancer	INDOSHNEWS Vol. 18 No. 1 & 2
2.	Strategy for Safe Transportation of Chemicals Difficulties and Solutions	INDOSHNEWS Vol. 18 No. 3

4.16 DGFASLI website

The DGFASLI website www.dgfasli.nic.in is a source of information on various safety and health related matters. The website contains database on abstract of OS&H studies, reports; information on advisory services rendered by DGFASLI in the area of testing of respiratory and non-respiratory personal protective equipment, flame proof equipment approval, material safety data sheets and National Referral Diagnostic Centre, etc. The INDOSHNEWS newsletters of DGFASLI are also available on the website. The training programme calendar for all the labour institutes, announcement on National Safety Awards & Vishwakarma Rashtriya Puraskar awards, AFIH course, Diploma Course in Industrial Safety along with the application forms are available on the website. The website enables users to access other useful websites related to safety and health and get the national directory of organisation-profile of agencies engaged in the field of safety and health. The website also contains the text of the Factories Act, 1948 and the Model Rules framed there under and also the Dock Workers (Safety, Health and Welfare) Act, 1986 etc. Statistics of Factories, Docks, List of Chief Inspectors of Factories, List of Dock Safety Inspectorates are also available.

5

Safety Awards

To appreciate the contribution made by the factories and docks towards producing quality goods and providing efficient services in safe and healthy conditions the following awards are being given.

5.1 Prime Minister's Shram Awards (PMSA)

The Prime Minister's Shram Awards (PMSA) were instituted in 1985, for the workers (as defined in Industrial Disputes Act, 1947) in recognition of their outstanding contributions in organizations both in public and private sector and who have distinguished record of performance, devotion to duty of a high order, specific contribution in the field of productivity, proven innovative abilities, presence of mind and exceptional courage and also to the workmen who have made supreme sacrifice of laying down their lives in the conscientious discharge of their duties.

It has been decided from the year 2004 onwards that the private sectors shall also be included within the ambit of Prime Minister's Shram Awards and the workers in the private sector units employing 500 or more workers and engaged in manufacturing and productive processes will be eligible to apply for these awards. The number of awards has been increased from 17 to 33. The awards, in order of sequence are Shram Ratna, Shram Bhushan, Shram Vir/Veerangana and Shram Shri/Devi. The recognition consists of a Sanad and cash award of Rs. Two lakh (1 award), Rs. One lakh (4 awards), Rs. 60,000 (12 awards) and Rs. 40,000 (16 awards) respectively.

5.2 Vishwakarma Rashtriya Puraskar & National Safety Awards

The DGFASLI on behalf of the Ministry of Labour and Employment has been implementing the Vishwakarma Rashtriya Puraskar (VRP) (earlier known as Shram Vir National Awards) and the National Safety Awards scheme since 1965. These schemes were modified in 1971, 1978 and again in 2007. The schemes presently in operation are as follow:

- (i) **Vishwakarma Rashtriya Puraskar:** It is designed to give recognition at the national level to outstanding suggestions resulting in (i) Higher Productivity (ii) Improvement in safety and working conditions (iii) Savings in foreign exchange (import substitution as well as quality and safety of products), (iv) Improvement in overall efficiency of the establishments. It covers workers employed in factories and docks. The prizes are grouped in three classes i.e. (a) Applications ranked 1 to 5 (5 Awards) – Class "A" Awards Rs.75,000/- Each, (b) Applications ranked 6 to 13 (8 Awards) – Class "A" Awards Rs.50,000/- Each (c) Applications ranked 14 to 28 (15 Awards) – Class "A" Awards RS.25,000/- Each. These awards are applicable to the workers of Industrial establishments covered under the Factories Act, 1948, the employees covered under the Dock Worker (Safety, Health and Welfare) Act 1986, the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 and Installations under Atomic Energy Regulatory Board (AERB).

- (ii) **National Safety Awards:** National Safety Awards are given in recognition of outstanding safety performance on the part of the industrial establishments covered under the Factories Act 1948, the employers covered under the Dock Worker (Safety, Health and Welfare) Act 1986, the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 and Installations under Atomic Energy Regulatory Board (AERB). Shields and Citation Certificates are awarded to Winners and Runners Up. Schemes I to X are meant for factories, construction sites and nuclear Installations and Schemes XI and XII are for Ports. The Schemes/Schedule based on lowest frequency rate of accidents were deliberated in comparison with latest national Average Frequency Data of Accidents namely; for the period from 2005 to 2007 for manufacturing sector and for the period from 2007 – 08 to 2009 – 10 for the Port Sector.

Achievement in 2013

The Award presentation function for Vishwakarma Rashtriya Puraskar and National Safety Awards for the Performance year 2011 was held at Vigyan Bhavan, New Delhi and the awards were presented by the Hon'ble Minister of Labour and Employment, Shri Sis Ram Ola. The awards division received 194 applications under the Vishwakarma Rashtriya Puraskar from factories and docks and 188 applications under National Safety Awards for the performance year 2011. Out of this 8 Vishwakarma Rashtriya Puraskar and 23 National Safety Awards applications were rejected owing to various discrepancies and 186 VRP and 165 NSA applications were accepted for processing and assessment. Out of which 28 applications were selected as Winners of VRP for the performance year 2011. A total of 165 applications (63 Winners & 35 Runners-up) were recommended for National Safety Awards.

Table 5.1- Applications received for Vishwakarma Rashtriya Puraskar and the number of awards given

Performance Year	Applications Received	Awards given
2006	177	28
2007	146	28
2008	192	28
2009	234	28
2010	162	28
2011	194	28

7

Statistics on Occupational Safety and Health in Factories

The statistics of factories is collected and compiled by the **Labour Bureau** on the basis of the Annual Returns/Reports in respect of the Factories Act 1948, furnished by various States and Union Territories. Under the Factories Act, 1948, injuries resulting from industrial accidents, by reasons of which the person injured is prevented from attending to work for a period of 48 hours or more immediately following the accident, are recorded. The important indices on injuries are **Frequency Rate (FR)** and **Incidence Rate (IR)**. The **Frequency Rate** is defined as number of total injuries per 1, 00,000 man-days worked. The **Incidence Rate** is the number of injuries per 1000 workers employed in the factories.

The information relating to occupational injuries in factories are given in this chapter in tables 7.1 to 7.7 and Charts 7.1 to 7.2, which are based on the statistics provided by Labour Bureau up to the year 2010.

Table: 7.1-Statistics of Employment, Industrial Injuries, etc. in Factories for the Year 2006-2010

Year	No. of Working Factories	Estimated Average daily Employment (in thousands)	Industrial Injuries		Frequency Rate of injuries per lakh Man-days worked		Incidence Rate of injuries per thousand Workers Employed in Factories Submitting Return	
			Fatal	Total	Fatal	Total	Fatal	Total
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)
2006	196097	8269	1068	19912	0.08	1.42	0.13	2.41
2007	163299	8015	821	15290	0.09	1.73	0.10	1.91
2008	137808	7421	478	5972	0.07	0.88	0.06	0.80
2009	143389	6488	668	6651	0.09	0.85	0.10	1.03
2010	228259	10855	1064	11175	0.06	0.64	0.10	1.03

Limitations of the data received from Labour Bureau Chandigarh:

1. Figures for 2006 excludes A & N, Arunachal Pradesh, Bihar, Chhattisgarh, Dadra & Nagar Haveli, Delhi, Gujarat, Himachal Pradesh, Jammu & Kashmir, Lakshadweep, Manipur, Mizoram, Nagaland, Pondicherry, Sikkim, Uttar Pradesh, Uttaranchal and West Bengal.
2. Figures for 2007 (P) excludes A & N, Arunachal Pradesh, Bihar, Chhattisgarh, Dadra & Nagar Haveli, Delhi, Gujarat, Himachal Pradesh, Jammu & Kashmir, Lakshadweep, Manipur, Mizoram, Nagaland, Pondicherry, Sikkim, Uttar Pradesh, Uttaranchal and West Bengal.
3. The Number of injuries has been given on the basis of notices of accidents whereas the rates have been worked out on the basis of Annual Return.

Statistics on Status of compliance with statutory provisions of the Factories Act, 1948

DGFASLI receives information relating to factories covered under the provisions of the Factories Act, 1948 from States and Union Territories from time to time. This information is mainly collected through FAS Forms as well as through correspondence as and when required from the CIFs of the States/ UTs. It is entered in the data bank specially created at DGFASLI for disseminating any specific information as and when necessary. This information can be used to know the state-wise status of safety and health as well as compliance level with statutory standards in factories. The information can be used for estimation of various trends. It is emphasized here, that for ascertaining the correctness or the updated information given in the following pages/tables, the State Governments/Union Territory Administration concerned may be contacted.

Statistics* of Factories at a Glance: 2012		
Registered Factories	353684	
Working Factories	309626	
Employment	Total	14910635
	Men	12760240
	Women	2150395
Safety Officers	2898	
Welfare Officers	3297	
Factory Med. Officers	9278	
Safety Policy	13606	
Safety Committees	11850	
MAH Factories	1804	
Factories Having On-site Emergency Plan	1772	
Factories Having Canteens Facility	6683	
Factories Having Creches Facility	5656	
Total Injuries	29824	
Fatal Injuries	1383	

* (Based on data collected by DGFASLI through correspondence with CIF of States/UTs.)

Statistics on Occupational Safety & Health in Ports

DGFASLI is enforcing the Dock Workers (Safety, Health & Welfare) Act, 1986 and Regulations 1990 in all the major ports of the country. The Inspectorate of Dock Safety offices located in the major ports enforce the Act and Regulations. Under Regulations 91(1) & (6) it is obligatory on the part of the Employers of the Dock Workers to report the accidents/ dangerous occurrences to the Inspectorates.

Here we are presenting some important Statistics on Occupational Safety & Health in the major Ports of the country for the Year 2013.

Table 9.1- Reportable Accidents & Dangerous Occurrences in major Ports during the Year 2013

Sl. No.	Port	Fatal	Total	Dangerous Occurrences
1.	Mumbai	2	20	1
2.	JNPT	Nil	8	3
3.	Kandla	2	2	Nil
4.	Mormugao	Nil	2	2
5.	Kolkata	5	19	1
6.	Paradip	1	2	Nil
7.	Vishakhapatnam	2	2	Nil
8.	Chennai	2	4	Nil
9.	Kochi	1	6	Nil
10.	New Mangalore	1	2	Nil
11.	Tuticorin	2*	4	Nil
Total		18	71	7

**2 Accidents in which 3 fatalities.*

Chart 9.1- Trend of Reportable Accidents in Major Port during 2002-2013

Table 9.2-Statistics of Employment & Rates of Reportable Accidents in major Ports during the year 2013

Sl. No.	Port	Avg. Daily Employment	*Frequency Rate		*Incidence Rate of injuries per Thousand	
			Fatal	Total	Fatal	Total
1.	Mumbai	1452	0.56	5.64	1.38	13.77
2.	JNPT	6099	0.00	0.45	0.00	1.31
3.	Kandla	4030	0.17	0.17	0.49	0.49
4.	Mormugao	578	0.00	2.24	0.00	3.46
5.	Kolkata	8418	0.21	0.78	0.59	2.26
6.	Paradip	321	1.08	2.15	3.12	6.23
7.	Vishakhapatnam	2165	2.55	2.55	0.92	0.92
8.	Chennai	1100	0.63	1.25	1.82	3.63
9.	Kochi	285	1.20	7.20	3.50	21.04
10.	New Mangalore	64	1.00	3.68	1.00	0.03
11.	Tuticorin	384	1.80	3.60	5.20	10.40

* Formula (As per IS: 3786 of 1983)

Frequency Rate = No. of Reportable Accidents X 1,000,000/Man-hours Worked#.

Incidence Rate = No. of Reportable Accidents X 1000/ Avg. No. of Persons Employed.

Man-hours worked are calculated on the basis of 362 working days in a year

Table 9.3-Classification of Reportable Accidents in major Ports - According to Agency for the Year-2013
