**About DGFASLI & RLI Faridabad**

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. Regional Labour Institute (RLI) at Faridabad is a subordinate office under the DGFASLI and caters to occupational safety and health in factories.

**Programme Preamble**

This Training programme features a collaborative problem-based learning approach that provides an individual competence building experience through an overview and basic knowledge of preparing workable and robust HAZOP documentation.

This program is tailored to assist organizations in comprehending essential measures by uncovering the fundamental causes of emergencies. Its emphasis lies in proactively averting future incidents through the comprehensive utilization of HAZOP techniques. Implementing a methodical approach to hazard identification within organizations is pivotal to prevent emergency situations. Participants will acquire the requisite tools to carry out step-by-step procedures that effectively minimize the impact of emergencies. This includes utilizing tools associated with HAZOP methodologies.

**Programme Highlights**

- National Policy on Occupational Safety & Health
- Introduction to HAZOP
- HAZOP Fundamentals
- HAZOP Process
- Risk Assessment and Mitigation
- HAZOP Reporting and Documentation
- Case Studies

**Participants**

Training is suitable for line managers, operations and maintenance managers, technical, and maintenance engineers, supervisors, safety representatives – and anyone with the responsibility for identifying root causes of hazards and associated risk using HAZOP in their respective plants and projects.
