

# DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

## Training Programme on Application of Ergonomics in Industries

(From 27<sup>th</sup> to 29<sup>th</sup>-December-2023)

### About DGFASLI & Central Labour Institute, Mumbai

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the employees at work places. Central Labour Institute, Mumbai is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health.

### Background

Ergonomics is important tool in industries where workers are working in different workplaces such as shop floors, offices, control panel etc. But if workplaces facilities provided to the workers has mismatched with work and workstations than it will cause serious ergonomics hazards that would allow to cause various pains, WRMSDs in the working population and surrounding locality. Also Ergonomics is the part of industrial Hygiene Hence it is imperative to have comprehensive knowledge and skills on its application in industries and its use for its evaluation.

On completion of course, it is expected that participants shall be able to develop the management strategies for the Hygiene and Health protection of the workers, prevention of occupational diseases and better compliance of rules, Therefore, Central Labour Institute, Mumbai is providing a training platform for intended participants.

### Programme Highlights

Participants will be able to understand -

- Overview on Industrial Hygiene and Ergonomics
- Application of ergonomics in industry
- Anthropometry for designing of work station
- National Policy on OSH at workplace
